AHRI Professional Member®

Memberships and project-based services giving you specialist HR, industrial & employee relations, recruitment, training and leadership expertise when you need it.

Advise

Perfect for small businesses or startups looking to build a strong HR foundation with expert support, including templates, guides, employment contracts and policies.

Partner

Customised services with documents to suit your business and industry, training, on-site support and a learning management system to align your HR practices with your business goals.

Manage

Ideal for businesses seeking end-to-end HR management with strategic oversight and expert intervention when it matters most.

Projects

Do you need to cover a temporary HR vacancy?
Or do you need additional resources or expertise to deliver a project?

Our team are skilled HR professionals and are able to support you across a range of people-related projects in recruitment, onboarding, performance management, systems, industrial relations and employee relations.
